### **Dumpster Load Guidelines**

Each dumpster load must be separated into one of the loads listed below. One load per listing. Four (4) different loads are listed.

Two(2) or Three(3) yard dumpsters are available for rent.

Dumpster rental is \$10.00 per dumpster.

Dumping fee for a 2 yard dumpster is \$3.70 each time the dumpster is emptied.

Dumping fee for a 3 yard dumpster is \$4.25 each time the dumpster is emptied.

An additional \$20.00 is charged for a dumpster used for construction and demolition. Dumpsters will be placed on a flat surface and should not be moved from that spot.

#### **HOUSEHOLD**

Household garbage; clothing; shoes; toys; food. Large furniture should be stacked away from the dumpster for disposal. Carpet should be cut into smaller sections, rolled up and piled neatly.

#### **YARD WASTE**

Put yard waste directly into dumpster. No plastic bags. Limbs and pampas grass should be cut down to fit inside dumpster. Other yard waste allowed: sticks; bush trimmings; dry grass; weeds; pinecones & needles; flower bed and vegetable garden plants.

#### **GRASS CLIPPINGS**

Put grass clippings directly into dumpster. No plastic bags. Do not mix yard waste (as described above) with grass clippings.

#### **CONSTRUCTION & DEMOLITION**

Asphalt & wood shingles (No plastic packaging from shingles) black roofing paper; lumber; lathe; linoleum; tile; insulation; paneling; sheetrock. Interior/exterior doors and windows should be stacked neatly away from the dumpster for disposal. Sinks; tubs; shower enclosures should be stacked neatly away from the dumpster for disposal.
